EDUCATION

MONTERREY'S INSTITUTE OF SUPERIOR STUDIES OF TECHNOLOGY
2013 - 2017

INFORMATION TECHNOLOGIES DEGREE

Specialized in the design, implementation and management of the Information Technology infrastructure that all organizations require to be competitive.

EXPERIENCES

2018 - TODAY

DELPUNTO **PROJECT MANAGER**

Lead the implementation and certification of ISO 27001:2013. Establishment of documented processes, a continuous improvement culture and delivery time 10% faster with a 100% team growth in less than a year.

2018 - 2020

JYBA **FOUNDER**

Lead of a multidisciplinary team to get a new product to the market. We developed a Minimum Viable Product but needed to halt the project due to mexican regulations and laws.

2018 - 2018

4ALL TECHNOLOGIA **FRONTEND DEVELOPER**

Work developed in a multiservice architecture, maintaining different modules within the company. Worked remotely with my team, so communication with them was essential.

2016 - 2018

WORLD TRADE FIBERS **PROJECT MANAGER**

Leader of an international team, with whom we reached 5 new countries with the e-commerce platform. Implemented cutting edge technology to optimize our site 10% and provide a first class online store.
